### CLOSURES AND WRAPS

Learn to make four small books with different closures. Ribbons, buttons, wraps, cords and whatever we invent on the day. The skills learnt can be taken with you and applied later to add interest to other books you create.

Sunday 15<sup>th</sup> August

Friday 22<sup>nd</sup> October

### PAPER BASICS

This workshop will teach basic hand papermaking skills or help you to brush up on your papermaking. You will make A4 sheets both white and coloured and some decorative papers.

### MAPPING THE JOURNEY

*\*NEW*

Spend the day creating a beautiful concertina book with attractive additions. Envelopes, small books and stitched pockets will be part of the final work. This book will be a repository for memories of trips past or those just a dream, a companion for the journey.

Friday 24<sup>th</sup> September (School Holidays)

Sunday 10<sup>th</sup> October

### Hand Made Paper EMBOSSING

This workshop will revise basic papermaking and teach the skills of casting, embossing and inclusions to enhance your beautiful white paper.

Sunday August 8<sup>th</sup>

### NOT SO TRADITIONAL TAPES

This book structure creates a beautiful journal which opens flat. The stitching is not difficult, so you can enjoy your day designing a book with attractive but structural tapes which enhance your book. More skills to add to your repertoire.

Monday 17<sup>th</sup> October

Sunday 29<sup>th</sup> August

### Workshop requests

**Requests for these workshops to be run on other dates can be arranged for groups of 4-6**
